NOTICE THAT YOU MAY BE RESPONSIBLE FOR MEDICAL COSTS IN THE EVENT OF FAILURE TO PROSECUTE, OR IF COMPENSATION CLAIM IS DISALLOWED, OR IF AGREEMENT PURSUANT TO WCL §32 IS APPROVED

You may become responsible for the medical costs of treatment for your illness or condition with the provider listed below if (1) you fail to prosecute the claim for workers' compensation or (2) it is determined by the Workers' Compensation Board that the illness or condition which required treatment was not a result of a compensable workplace accident or occupational disease or (3) if an agreement is executed by you and approved pursuant to Workers' Compensation Law §32 in which you waive your right to medical benefits from the workers' compensation carrier/self-insured employer for treatment/ services performed after the date the agreement is approved. If any of the above events occurs, the provider may bill you directly instead of the employer or insurance carrier, and you will be responsible for the provider's fees for services rendered.

I hereby acknowledge that I have read the above and understand the circumstances under which I may become responsible for payment.

Provider's Name and Address _____

TO THE CLAIMANT

Workers' Compensation Board Regulation 325-1.23 permits your doctor or therapist to request that you sign this A-9 notice. By signing this notice, you acknowledge your obligation to pay the provider's fees for the services you receive if it turns out that such fees are not legally required to be paid by your employer or its workers' compensation insurance carrier and if such fees are not covered by other insurance. The employer or carrier may not be required to pay the doctor's fees if, for example, you fail to file a claim for workers' compensation, or fail to notify your employer of your injury or illness, or fail to attend a Board hearing if your employer challenges your right to benefits. Even if you make all required efforts to prosecute your claim, the Workers' Compensation Board may still find that you are not entitled to benefits. In such cases, this notice advises your health provider that you acknowledge your personal liability for payment of his/her bills.

Workers' Compensation Law Section 32

The A-9 notice also covers instances in which a claimant with an existing valid workers' compensation case comes to an agreement with his/her employer or its insurance carrier settling his/her case in accordance with Section 32 of the Workers' Compensation Law. A Section 32 agreement may include a provision which relieves the employer or carrier of the liability to pay future medical bills associated with the case. Your health care provider may ask you to sign this A-9 notice to insure that you acknowledge your personal liability for payment of his/her bills if you have waived your right to future medical benefits under a Section 32 agreement.

If you have any questions, contact your attorney or licensed hearing representative, if you have one. You may also contact your local district office of the Workers' Compensation Board.

TO THE HEALTH CARE PROVIDER

This notice is meant to advise the workers' compensation claimant that he/she may be responsible for payment. Failure of the claimant to sign this form does not relieve the provider of the obligation to treat the claimant, nor does it negate the claimant's responsibility for payment.

Keep the original of this form for your records and give a copy to the claimant. **Do not file with the Workers' Compensation Board.** You will receive Notices of Decisions in which the compensability of a claim, authorization of treatment, or payment of medical bills is included. You will also be notified if the claimant submits a Section 32 Agreement with the Board for approval. Do not bill the claimant unless and until you receive a Board decision finding that 1) claimant failed to prosecute the claim, or 2) the claim is denied, or 3) the treatment is not causally related to the work injury, or 4) a Section 32 agreement relieving the carrier of liability for medical treatment is approved.

Item 6: If you had a previous injury or illness, check if your previous injury or illness was work-related. If Yes, check if the injury or illness happened while working for your current employer.

Sign Form C-3 in the place provided for Employee's Signature on page 2, print your name, and enter the date you signed the form. If a third-party is signing on behalf of the employee, that person should sign on the second signature line. If you have legal representation, your representative **must** complete and sign the attorney/representative's certification section on the bottom of page 2.

What Every Worker Should Do in Case of On-The-Job Injury or Occupational Disease:

1. Immediately tell your employer or supervisor when, where and how you were injured.
2. Secure medical care immediately.
3. Tell your doctor to file medical reports with the Board and with your employer or its insurance carrier.
4. Make out this claim for compensation and send it to the nearest Workers' Compensation Board Office. (See below.) Failure to file within two years after the date of injury may result in your claim being denied. If you need help in completing this form, telephone or visit the nearest Workers' Compensation Board Office listed below.
5. Go to all hearings when notified to appear.
6. Go back to work as soon as you are able; compensation is never as high as your wage.

Your Rights:

1. Generally, you are entitled to be treated by a doctor of your choice, provided they are authorized by the Board. If your employer is involved in a preferred provider organization (PPO) arrangement, you must obtain initial treatment from the preferred provider organization which has been designated to provide health care services for workers' compensation injuries.
2. DO NOT pay your doctor or hospital. Their bills will be paid by the insurance carrier if your case is not disputed. If your case is disputed, the doctor or hospital must wait for payment until the Board decides your case. In the event you fail to prosecute your case or the Board decides against you, you will have to pay the doctor or hospital.
3. You are also entitled to be reimbursed for drugs, crutches, or any apparatus properly prescribed by your doctor and for carfares or other necessary expenses going to and from your doctor's office or the hospital. (Get receipts for such expenses.)
4. You are entitled to compensation if your injury keeps you from work for more than seven days, compels you to work at lower wages, or results in permanent disability to any part of your body.
5. Compensation is payable directly and without waiting for an award, except when the claim is disputed.
6. Injured workers or dependents of deceased workers may represent themselves in matters before the Board or may retain an attorney or licensed representative to represent them. If an attorney or licensed representative is retained, their fee for legal services will be reviewed by the Board and if approved will be paid by the employer or insurance company out of any compensation benefits due. Injured workers or dependents of deceased workers should not directly pay anything to the attorney or licensed representative representing them in a compensation case.
7. If you need help returning to work, or with family or financial problems because of your injury, contact the Workers' Compensation Board office nearest you and ask for a rehabilitation counselor or social worker.
